Thank you for your never ending support, thank you for cheering me up and encourage me to study hard and achieve my goals. You will always be my inspiration in every success in my life. This year is a beginning of a new chapter of my life. I'll meet new friends, the ambiance that I used to feel is going to change. Everything will change except the love for God. I will always be thankful and grateful that I am being chosen as a scholar.

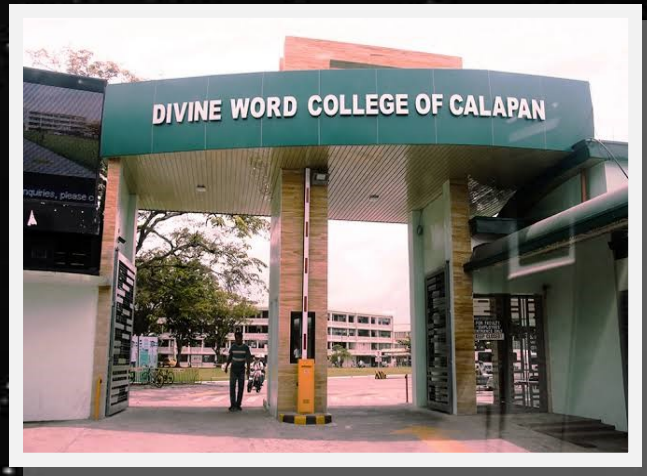

Thank you very much and God bless you all!

Truly yours,

Raquel
